

# Lexmark CS531dw

*Laser printer*

**Duplex  
printing**

**Color  
laser**

**35  
ppm**

**Print  
speed**

**1.5k  
to 10k**

**Monthly  
page volume**

## Capabilities and Benefits

From instructional and on-product support videos to simple color-coded guidance for maintenance tasks like changing toner, Lexmark offers ongoing professional product support.

This IoT-ready device can be remotely managed, including setup, configuration, consumables management, and diagnostics.

The security ecosystem is designed to overcome the most complex data challenges. Now with Trusted Platform Module (TPM)\*\*\*, including on-board authentication, system integrity checks, and cryptographic capabilities to create a unique digital system fingerprint, your data is safe.

Models are sustainable for today and beyond with certifications in Energy Star®, Blue Angel, RoHS, EPEAT® Silver.

Supports varied media types like vinyl labels, paper labels, card stock, plain paper and envelopes. Refer to the Card Stock & Label Guide for more information.

**Lexmark™**

Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: [www.lexmark.com/ISOspeeds](http://www.lexmark.com/ISOspeeds). "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.
